

A photograph of a set table with a light blue tablecloth. In the foreground, a large ornate gold plate with a scalloped edge holds a white plate with a floral pattern and a green napkin. To the left, a glass candle holder contains two white candles. In the center, a wine glass and a tumbler glass sit on a green textured cloth. In the background, another place setting is visible with a wine glass and a plate with a green napkin. The text "CATALOGUE" is overlaid in large black letters, and "DECOR COLLECTION" is overlaid in smaller black letters below it.
